We highly recommend that you do not use your Social Security Number or other important ID as a username or password for this Website or others. NewPath Learning does not collect Personally Identifiable Information about the user unless it is voluntarily provided to our Company and so that we can serve the user's needs and, as set out here, our legal business purposes. We (and/or our agents or affiliates) may collect and use personally ident information online from our adult visitors: to process and fulfill orders for products or services to improve this Website, and for the marketing and promotional purposes of our company in connection with contests, sweepstakes, games, surveys, forums, subscription records, content submissions, class events, suggestions, and visitor information requests; and to customize the content on our site for the current and future needs of visitors. In addition, this personally identifiable information may be used to provide our visitors with information about materials and activities that are of interest to them, including products or services of NewPath Learning and its affiliates, by email or other means. Because we protect other confidential information, the information will be handled confidentially within our company. You may choose not to provide specific information, but you may not be able to take advantage of many of our features later. If you no longer have a media notification that you do not want to receive from us, please let us know your name, school name, address, email address and phone number at Opt-Out Request, NewPath Learning, 760C Canning Parkway, Victor, NY 14564 or customerservice@newpathlearning.com by emailing us your name, address, email and phone number. If you are writing to request that we no longer receive a specific media notification, please add the name of the media notification. In addition, in each email we send, we provide a link that you can click to ensure that you do not receive future emails from the sender. Public postsUsers can find personally identifiable information (for example, a post on Facebook or in a chat room) that is voluntarily sent or shared by a user to a public area of the website. and be reminded that it can be used by others. We can't prevent this kind of use. Information Sharing and Disclosure Disclosure As set out in this statement, our policy is not to share Personally Identifiable Information collected through this Website with third parties, but we may share this Personally Identifiable Information with any of NewPath Learning's affiliates and other companies and organizations that sell products or services that work for us under the agreement or complement our products and services. We may also disclose personally identifiable information (a) in response to a subpoena, court order or legal process to the extent permitted and required by law; (b) to protect user safety or the safety of others in accordance with applicable law; (c) in connection with a sale, joint venture, or other transfer to part or all of NewPath Learning; or (d) to enforce the Terms of Use of the Websites. Without the user's prior consent, we use users' Personally Identifiable Information for commercially reasonable reason not to share, disclose or sell to third parties. NewPath Learning may use a third-party service to collect anonymous visitor information, such as IP addresses, browser types (such as Internet Explorer, Firefox, Chrome, and other browsers), referring pages, pages visited, and time spent on a particular site. NewPath Learning collects this information (a) for statistical analysis of web page traffic patterns; (b) to manage our Website and servers; (c) allow our services to be supervised by some third parties with this right; and (d) for internal purposes to make marketing decisions. Non-Personal Information and Use of Cookie TechnologyNewPath Learning collects non-personal information at the request of our visitors and voluntary submissions to us and/or the use of software technology called cookies. We refer to personally identifiable information about our visitors' browsers (for example, Chrome, Firefox, Internet Explorer and other browsers), operating systems (for example, Windows or Macintosh), Internet service providers, and other similar information that we monitor in bulk. The personally identifiable information we monitor is anonymous and will never lead or direct us to any of our visitors. Cookie technology helps us know how many people have visited us and where visitors are going to our site. Cookies are small pieces of information that we send to your computer. Among other things, this personally identifiable information allows us to know which areas are favorites, which areas need some improvement, or what technologies and Internet services are used by our visitors so that we can continuously improve visitors' online experiences. To end your access to our Website, NewPath Learning we reserve the right to monitor your use of the Website to determine whether you comply with our terms and rights to terminate your access to our website. NewPathWorksheets.com information about the use of the data. An IP address is a number assigned to your computer by a Web server while on the Web. When you are on our site, we have a back-end server that records your computer's IP address. We only use the information we find when bulk tracking IP addresses, such as how many users have entered a specific area of our site, and we do not track a specific IP address to identify a single user. However, if we feel that there are security and/or security issues or comply with legal requirements, and/or we may use this information to identify a user to ensure compliance with our Terms and Conditions of Use. SecurityNewPath Learning ensures that all personal and non-personal information it receives over the Internet is secure from unauthorized access. This information is kept on a secure system isolated from a direct connection to the Internet. This means that no eye other than ours will be to see the information our visitors send us unless we specify otherwise. We will provide personal information as required by law, for example to comply with a court order or subpoena or to assist with criminal investigations. We may also provide recommended personal information to protect the safety and security of our sites and visitors to our sites. Why are we so safe? NewPath Learning uses secure server software over the Secure Sockets Layer (SSL) line to protect your credit card information. It encrypts all your personal and credit card information so that it cannot be read as the order progresses to our system and is stored in a place that cannot be accessed over the Internet once received. Please note that in the event of unauthorized use of your credit card, you should notify your credit card provider in accordance with reporting rules and procedures. Links to Other Sites Visitors can find links to independently own, controlled, and/or managed World Wide Web or Internet sites that NewPathWorksheets.com visitors. The information practices of third-party websites are not covered by this Privacy Statement or any other policies or terms of this Website. Make sure you know the terms of use and privacy policy of any linked website before use. In many cases, but not always, links represent cooperative projects or mutual connections established with organizations linked to these sites. Please note that when visiting these sites, which we initially link directly to, we do not monitor or control the content that appears on these sites, and such content may change continuously. We recommend that children check with their parents or teachers before clicking on new sites, and NewPathWorksheets.com all end users of the policies. Please note that we may revise our policy above. Remember. As the content on our sites continues to change, we will post all such material changes to users and this Privacy Policy. We hope to enjoy exploring our sites. If you have any questions about our privacy policy or practices, or if you would like to change, update or verify the information in the file, or if you wish to notify us that you wish to have your information deleted from our files, please contact us at this address.
